Supervisory board report

Regarding the annual report of the financial year 2020 and activities of the supervisory board

29.04.2021

The supervisory board of AS Tallink Grupp (hereinafter referred to as the Company) has examined the annual report of the financial year 2020, prepared by the management board of the Company and the sworn auditor's report.

The supervisory board approves the annual report concerning the financial year of 2020.

Members of the supervisory board of the Company have adhered to the requirements provided by the Articles of Association of the Company, applicable law and Corporate Governance Requirements. Main task of the supervisory board of the Company was reviewing and approving the transactions, which were beyond the scope of everyday economic activities of the Company and supervision over activities of the management board of the Company.

At the meetings held during the financial year 2020 the supervisory board discussed various issues related to the management and organization of the Company's operations and related information. In particular, the significant economic impact of the Covid-19 pandemic on the Company's business and the continuing uncertainties regarding the recovery of the Company's operations were discussed.

During the past financial year the meetings of the supervisory board of the Company were held in all together 5 times and without calling a meeting 4 written resolutions were adopted.

The most important resolutions were the following:

- Authorisation of the management board to enter into a financing agreement to raise additional loan funds;
- Approval of the annual report of the financial year 2019;
- Approval of the purchase of the vessel SAILOR by a subsidiary of the Company;
- Determination of the agenda and the supervisory board proposals regarding the points of the agenda of the annual general meeting;
- Extension the term of office of the chairman of the supervisory board Enn Pant;
- Approval of the preliminary budget of 2021 financial year;
- Approval of the conclusion of the loan agreement by the subsidiary of the Company in the amount of 100 million euros;

The supervisory board of the Company has regularly reviewed the financial results and the management board's economic activity overviews of the Company. The supervisory board of the Company estimates cooperation with the management board continuously very good.
